You are invited to: "This Light of Ours: Activist Photographers of the Civil Rights Movement" on Thursday, January 19, 2017 (7:00 p.m.) at the Maltz Museum of Jewish Heritage 2929 Richmond Road, Beachwood, OH 44122!

This Light of Ours exposes the historic Civil Rights Movement's struggle against race-based disenfranchisement through remarkable black and white photographs. The striking images from the center for Documentary Expression and Art are the work of nine very different photographers who lived within the Southern Freedom Movement and documented the stories and experiences of its less recognized heroes---the local people and student activities who bravely stood up to change in America. This a wonderful opportunity in celebration of the 50th Anniversary of the Civil Rights Movement; the U.S. Conference of Catholic Bishops' Subcommittee on African American Affairs will release a series of resources to highlight the achievements of the Civil Rights era and its connection to the Catholic Church.

We will begin our evening with light refreshments then tour the exhibition. (Tickets for the event $20.00 per person) To secure your ticket please submit your request by January 3, 2017; All checks made payable to the **Diocese of Cleveland**. Mail your check to the Office of Ministry to African Catholics, 1404 East 9th Street-3rd floor, Cleveland, OH 44114

Please complete the information below and return it with your payment to The Office of Ministry to African American Catholic on or before <u>January 3, 2017</u>.
