What keeps you from feeling really good right now? Advent can be a time where we are longing for new life because we have been hurt by life. All of us encounter hardships - a difficult person or situation, the loss of a loved one, a health crisis, or worry about an uncertain future - that can make it hard to sing "joy to the world." This day will focus on how to move from longing for new life to receiving new life especially during the closing healing Mass.

Fr. Matt Linn, SJ is a prolific author, retreat leader and spiritual director based in Minnesota. In conjunction with Dennis and Sheila Linn, he has authored more than 20 books and focuses his ministry on integrating physical, emotional and spiritual healing.
