## **St. Augustine to Feed 20,000 on Thanksgiving Needs Turkeys, Funds, and Drivers**

**(Tremont Hunger Center to Serve 10,000 Shut-ins and at Hunger Centers in  
Lorain and Cuyahoga Counties)**

The St. Augustine Hunger Center in Cleveland's Tremont neighborhood is continuing its 43 year tradition of feeding those in need on Thanksgiving Day, Thursday, November, 26, 2015.

More than 20,000 persons will be served on the St. Augustine grounds and at 14 shelters downtown, on the East-side, and in Lorain County. More than 10,000 meals will be delivered to the homebound and persons with disabilities in Lorain, Cuyahoga, Lake, Geauga, and Summit counties.

Volunteers will pack, serve, and deliver the Thanksgiving meals, but donations of turkeys or funds to purchase more turkeys are being sought in hopes that enough can be raised to serve everyone in need on Thanksgiving and also to continue daily meals through the winter season.

The Hunger Center also is reaching out to those who need food and is asking them to contact St. Augustine so they can be served. They can call 216-781-5530.

**Donations** can be made through the secure web site at: [www.staugustine-west14.org](http://www.staugustine-west14.org) or send them to:
