- **RSVP:** While a formal RSVP is not necessary, we would like to keep track of the groups that are coming to be sure that we are ready for this increased attendance. To do this we ask that if you are bringing a group, please go to <https://mass4lifecle2017.eventbrite.com> to complete a brief registration form.
- **Promotion:** We encourage using the hashtag #Mass4LifeCLE on social media to help promote and proclaim the prayer for human life.
- **Live Streaming:** Both the Mass and Rosary for Life will be broadcast on the Diocese of Cleveland's website for those who are unable to attend.
- **Intercession:** Bishop Lennon asks all parishes to include a special intercession in the Universal Prayer on Sunday, January 22, so that even those who are unable to attend the Cathedral liturgy may be joined together in prayerful solidarity:

For those who govern us, at both the state and federal levels, that they may frame and enact legislation that is life-giving, seeking to defend those who are unable to protect themselves, and to support those who are most vulnerable, we pray.
