Independent Auditors' Report

Board of Trustees
Borromeo Seminary
Cleveland, Ohio

Opinion

We have audited the financial statements of Borromeo Seminary (a nonprofit organization), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Borromeo Seminary as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Borromeo Seminary and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Borromeo Seminary's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audits of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Borromeo Seminary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Borromeo Seminary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

BORROMEO SEMINARY

NOTES TO FINANCIAL STATEMENTS

Note 1. Nature of Organization

Borromeo Seminary (the Seminary) is organized as a non-profit corporation under the stewardship of the Bishop of the Catholic Diocese of Cleveland. The Catholic Diocese of Cleveland approved a plan in 1991 to restructure the Diocesan seminary programs. Accordingly, the academic year ending June 30, 1991 was the last year of degree-granting operations. The operations have continued as a house of formation.

Note 2. Summary of Significant Accounting Policies

The following significant accounting policies have been followed in the preparation of the financial statements:

- A. Basis of Presentation – The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Seminary has reported information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

A description of these categories follows:

Net assets without donor restrictions: Net assets available for use in general operations and not subject to donor-imposed stipulations. Included in this category are board-designated funds functioning as an endowment.

Net assets with donor restrictions: Net assets from contributions or other inflows that are subject to donor-imposed stipulations that may or will be met either by actions of the Seminary and/or the passage of time. Also included in this category are net assets from contributions where the use is limited by donor-imposed restrictions that neither expire by passage of time nor can be fulfilled or removed by actions of the Seminary.

- B. Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- C. Cash and Investments – Cash and cash equivalents: For purposes of the statements of cash flows, the Seminary considers all highly liquid investments, with initial maturities of three months or less, to be cash equivalents. The Seminary maintains its cash accounts at a national financial institution. The balance, at times, may exceed federally insured limits.

Investments: The Seminary's long-term investments are in a pooled investment account at the Diocese of Cleveland, and are reported at fair value. Realized and unrealized gains and losses from securities in the pooled investment are allocated to the individual funds based on the fair value of each fund to the total. Investment income, net of investment fees, has been recognized in the statements of activities in accordance with the terms of any donor restrictions.

BORROMEO SEMINARY

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

- D. Accounts Receivable – The Seminary provides for uncollectible accounts receivable using the allowance method. Management estimates an allowance for credit losses based on their review of delinquent accounts, an assessment of the Seminary's historical evidence of collections and the current and future condition of the economy as a whole. Management has deemed all accounts receivable collectible and, accordingly, no allowance is recorded at June 30, 2025 and 2024.
- E. Beneficial Interest in Perpetual Trust – In 2005, the Seminary became an income beneficiary of one trust fund. The fund is held in trust by others under legal trust instruments created by donors independent of the reporting organization. The Seminary has an irrevocable right to receive the income from the trust's assets in perpetuity but will never receive the trust's assets. The fund assets, which had a fair value on June 30, 2025 and 2024 of \$820,743 and \$759,938, respectively, are included in the financial statements of the Seminary as net assets with donor restrictions. Investment income, net without donor restrictions from the trust was \$35,469 and \$33,266 in the fiscal years ending June 30, 2025 and 2024, respectively.
- F. Equipment – The Seminary capitalizes all purchases or donations of equipment exceeding \$5,000 at cost or fair market value at date of donation. Equipment is depreciated utilizing the straight-line method over its estimated useful life ranging from five to ten years.
- G. Agency Fund – The agency fund represents assets held in trust to be used for disbursement at the discretion of the rector. Summary transactions for the fund for the years ended June 30, 2025 and 2024 were as follows:

	<u>2025</u>	<u>2024</u>
Donations received	\$ 439,644	\$ 238,758
Disbursements made	<u>(672,392)</u>	<u>(223,621)</u>
Net change in account	<u>\$ (232,748)</u>	<u>\$ 15,137</u>

- H. Fair Value of Financial Instruments – The Seminary's financial instruments include cash and cash equivalents, short term investments, accounts receivable and accounts payable. The carrying values of cash and cash equivalents, short term investments, accounts receivable and accounts payable are reasonable estimates of fair value due to the short-term nature of these financial instruments.

The Seminary's financial instruments are measured at fair value on a recurring basis in accordance with Fair Value Measurements standards, as defined by accounting principles generally accepted in the United States of America. Fair value is defined as the price that would be received to sell an asset or would be paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data

Level 3 – Unobservable inputs in which little or no market data exists

BORROMEO SEMINARY

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

H. Fair Value of Financial Instruments (Continued)

The financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following tables set forth by level within the fair value hierarchy the Seminary's financial assets and liabilities that were accounted for at a fair value on a recurring basis as of June 30, 2025 and 2024:

		June 30, 2025		
		Level 1	Level 2	Level 3
Assets				
	Investments - pooled investment fund		\$751,629	
	Beneficial interest in perpetual trust			\$820,743
		June 30, 2024		
		Level 1	Level 2	Level 3
Assets				
	Investments - pooled investment fund		\$671,172	
	Beneficial interest in perpetual trust			\$759,938

Investments - pooled investment fund – The Seminary invests in a pooled investment fund managed by the Diocese of Cleveland, which invests in publicly traded fixed income and equity securities. The Diocese of Cleveland provides the fair value of the Seminary's proportionate interest in the pooled fund, therefore, it is considered to be a Level 2 input.

Beneficial interest in perpetual trust – The beneficial interest in perpetual trust is held by others, not under the direct control of the Seminary. There is not an active market for the interest in the trust, therefore, it is classified as a Level 3 input.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodologies used from 2024 to 2025. Furthermore, while the Seminary believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

I. Revenue Recognition – In accordance with professional accounting standards, unconditional contributions received are recorded as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor restrictions.

All contributions are considered without donor restrictions unless specifically restricted by the donor. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions.

BORRAMEO SEMINARY

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

I. Revenue Recognition (Continued)

When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

The Seminary recognizes revenue from tuition reimbursements during the year in which the related services are provided to students. The performance obligation of delivering educational services is simultaneously received and consumed by the students; therefore, the revenue is recognized ratably over the course of the academic year. In addition, the students have an option to room and board on the premises. The performance obligation of providing access to housing and meals is satisfied ratably over the academic period in which the student chooses to live on campus and purchase a meal plan. Contracts for tuition, room and board are combined into a single portfolio of similar contracts. Payments are generally required prior to the beginning of the school year. All amounts received prior to the commencement of the school year, including enrollment deposits, are deferred to the applicable period. All prior year unearned revenue was recognized as current year revenue.

J. Noncash Contributions – Donated items are reflected as gifts and grants at their estimated values at the date of contribution.

The Seminary records the estimated fair value of contributed faculty services. The donated amount is calculated by comparing actual amounts paid to or on behalf of faculty members with standard industry figures compiled by the Association of Theological Schools. The monetary value of services contributed by the priest faculty of \$125,840 and \$179,096 for the years ended June 30, 2025 and 2024, respectively, has been recorded in the financial statements as revenue from contributed services and a corresponding expense. There were no donor restrictions on the contributed services for the years ended June 30, 2025 and 2024.

K. Income Taxes – The Seminary is a not-for-profit entity and has been granted an exemption from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Seminary is listed in the Official Catholic Directory and, therefore, exempt from filing a federal 990 tax return. The Seminary believes that it has the appropriate support for any tax positions taken and, as such, does not have any uncertain tax positions that are material to the financial statements.

L. Functional Expenses – The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The expenses that are allocated include occupancy expenses, which are allocated based on square footage, as well as salaries and benefits and contributed services, which are allocated on the basis of estimates of time and effort.

M. Subsequent Events – The Seminary has evaluated subsequent events through October 16, 2025, which is the date the financial statements were available to be issued. There are no subsequent events that require disclosure.

BORROMEO SEMINARY

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 3. Investments

Long-term investments of the Seminary are held and managed by the finance office of the Catholic Diocese of Cleveland in a general fund that is part of a pooled investment fund. The pooled investment fund had investment targets of 60% equity and 40% fixed income as of June 30, 2025 and 2024. The actual allocations approximate target allocations. Investments are stated at fair value and are summarized as follows as of June 30, 2025 and 2024:

	2025			2024		
	Cost	Fair Value	Unrealized Appreciation	Cost	Fair Value	Unrealized Appreciation
Without donor restrictions	\$ 386,125	\$ 443,146	\$ 57,021	\$ 348,385	\$ 396,245	\$ 47,860
With donor restrictions	267,749	308,483	40,734	240,747	274,927	34,180
	<u>\$ 653,874</u>	<u>\$ 751,629</u>	<u>\$ 97,755</u>	<u>\$ 589,132</u>	<u>\$ 671,172</u>	<u>\$ 82,040</u>

Note 4. Endowment Funds

The Board of Trustees of the Seminary has elected to invest its endowment funds with the Catholic Diocese of Cleveland, as part of the general fund. The Catholic Diocese of Cleveland has an investment policy detailing the long-term goals, asset allocation, guidelines for security selection, measurable objectives and on-going communication. The investment funds are managed to produce growth and income while controlling risk.

The Seminary's endowment consists of both donor-restricted endowment funds and funds designated by the Board of Trustees to function as endowments. As required by applicable standards, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Trustees has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Seminary maintains in perpetuity (a) the original value of donor-restricted gifts donated to the endowment and (b) the original value of subsequent donor-restricted gifts to the endowment. Any accumulations to the endowment are included in net assets with donor restrictions until those amounts are appropriated for expenditure by the Seminary in a manner consistent with the standard prudence prescribed by UPMIFA.

Endowment funds are appropriated based on an approval process through the Board of Trustees. The Seminary appropriates for distribution each year up to 5% of its endowment fund's average fair value over the last three years.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Seminary to retain as a fund of perpetual duration. The Seminary has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. The Seminary had no funds with deficiencies at June 30, 2025 and 2024.

Note 5. Pension and Annuity Plans (Continued)

The clergy, except for the Borromeo Capuchins, are covered by the Priests' Retirement Trust Agreement and Plan of the Diocese of Cleveland. The total contribution to this program is paid by the Seminary. The expense was \$13,750 and \$19,227 for the years ended June 30, 2025 and 2024, respectively.

Note 6. Transactions With Related Organizations

The Seminary is affiliated with various religious organizations. The Seminary receives a contribution of earnings from the Catholic Diocese of Cleveland from its Priestly Formation Endowment Fund and from the Priestly Formation Annual Appeal. For the years ended June 30, 2025 and 2024, the Seminary received \$1,146,471 and \$1,083,885, respectively, from the Priestly Formation Endowment earnings as well as \$300,000 and \$200,000, respectively, from the Priestly Formation Annual Appeal.

The Seminary has an ongoing informal commitment with the Center for Pastoral Leadership (CPL) calling for annual rentals. For the years ended June 30, 2025 and 2024, the Seminary paid a base rent of \$660,750.

The Seminary shares various personnel, space and operating expenses with CPL and St. Mary Seminary. At June 30, 2025 and 2024, the Seminary had a payable to CPL for \$144,514 and \$45,351, respectively.

Note 8. Liquidity and Availability

The table below presents financial assets available for general expenditures within one year at June 30:

	<u>2025</u>	<u>2024</u>
Cash and cash equivalents, less agency cash	\$ 1,095,620	\$ 998,947
Accounts receivable	23,638	10,452
Distributions from beneficial interest in perpetual trusts	<u>35,500</u>	<u>33,300</u>
	<u>\$ 1,154,758</u>	<u>\$ 1,042,699</u>

The Seminary's resources are primarily from tuition and earnings from endowments held at the Diocese of Cleveland to support the Seminary. The Seminary considers contributions restricted for program services which are ongoing, major and central to its annual operations to be available to meet cash needs for general expenditures. The Seminary also receives general operating support from the Diocese of Cleveland on an annual basis. The Seminary manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

Additionally, the Seminary has a board-designated endowment of \$65,722 and \$59,222 as of June 30, 2025 and 2024, respectively. Although the Seminary does not intend to spend from its board-designated endowment funds other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation process, amounts from its board-designated endowment could be made available if necessary. The Seminary also has long-term investments without donor restrictions of \$377,424 and \$337,023 as of June 30, 2025 and 2024, respectively, which could be made available if necessary.
