Keri is a former labor and delivery nurse, has a wonderful husband, and three young adult children.

**Special Note:** The themes that comprise the presentations and adult reflections in Catechesis of the Good Shepherd (CGS) are based on more than 55 years of work with children by Sofia Cavalletti and Gianna Gobbi. Since CGS first began in the Roman Catholic tradition, it is presented in a course as it has been passed down from its co-founders in that Roman Catholic tradition. Since CGS also reflects the most essential proclamations of the Christian faith, a formation course in Catechesis of the Good Shepherd includes discussion, as needed, for making adaptations to other denominations.

## What is the Catechesis of the Good Shepherd?

The Catechesis of the Good Shepherd offers a method of catechesis for children ages 3 through 12 through which children are helped in forming an authentic, faithful relationship with God. It seeks to create and facilitate a sacred, hands-on environment for children called the *atrium*. It is in the atrium where the children and the adults (catechists) celebrate the most essential mysteries of the Catholic Christian faith. CGS is rooted in the Sacred Scripture and Liturgy. It began in Rome in 1954 by Dr. Sophia Cavalletti and Gianna Gobbi, and is now worldwide.

The Catechesis of the Good Shepherd is grounded in scriptural and liturgical study framed by Montessori's principles of education and understanding of the developmental needs of children. This method of catechesis began in Rome, Italy in 1954 with Sofia Cavalletti, a biblical scholar, and her colleague, Gianna Gobbi, a Montessori trained educator. Both women were Roman Catholic. In their observation and engagement with children, **they sought to discover what face of God children most need to see in order to grow in their knowledge and love of God.** Children need the sensitive guidance of the adult and the inner guidance of the Holy Spirit to nurture this relationship.

*If we want to help the child draw nearer to God, we should with patience and courage, seek to go always closer to the vital nucleus of things. This requires study and prayer. The children will be our teachers if we know how to observe them. -Sofia Cavalletti*

The adult prepares a sacred space, called the atrium, which allows children a prayerful place to listen to and respond to God through Jesus, the Good Shepherd. The atrium is also a place of celebration and community - to be with God, enjoy Him, listen to His Word, and to share this

experience with others. It is designed to reflect the beauty of His creation and God's abiding love. It is also a place to begin to recognize the signs and symbols that speak of Him through the liturgies of Baptism and Eucharist.

## ❖ Level I Catechist Formation❖

**Level I catechist formation** is foundational for all three levels of the Catechesis of the Good Shepherd. The primary focus is preparation to serve three-to six-year-old children. The objectives of Level I catechist formation are:

- ❖ To present the guiding principles of the Catechesis of the Good Shepherd.
- ❖ To explore the vital religious needs and capacities of the 3-6-year-old child.
- ❖ To offer the adult time to prayerfully reflect and personally consider the Biblical and liturgical themes presented to the 3-6-year-old child.
- ❖ To broaden the adult's ability to observe and learn from children's spirituality.
- ❖ To cultivate the capacity to deeply listen to and enjoy with children the Word of God.
- ❖ To offer guidelines and assistance in preparing the atrium, writing the catechist's album, and making materials.

## ❖Your Invitation❖

**You are invited to participate in this Level I catechist formation preparing you as a catechist to serve children ages three to six years old.**

**Level I Part 1 Formation dates:**

**at Church of the Gesu in University Hts., Ohio**  
**(2470 Miramar Blvd | 44118)**  
Part 2: Dates for summer 2027 are TBD

This course is designed to include spiritual formation for adults as well as instruction in this method of catechesis in order to serve the religious life of young children. The pace of the course is retreat-like, allowing for its contemplative nature to be a prayerful experience for adults and a model for the children's atrium experience. A three-year cycle of presentations is offered from scripture and liturgy as given to children. Adults will also receive background information on the themes that undergird this approach including a foundational study into Maria Montessori's work with children. Catechist formation includes seeing all the presentations as given to three- to six-year-old, reading the core CGS texts, writing album pages for the presentations, and making a few of the materials used in the atrium. Successful participation of this course will result in a certificate from the United States Association of The Catechesis of the Good Shepherd. Partial Scholarships are available through the Diocese of Cleveland's Office of Catechetical Formation.

**Tuition is \$535.00 for the entire course.**  
Tuition for participants from the Diocese of Cleveland is \$300. Payment is due by July 27, 2026.
