

Lenten Day of Reflection & Resources: Continually Called to Conversion

Friday, March 11, 2022 | 10:00 a.m.—2:30 p.m.

Center for Pastoral Leadership, Aula | Fee: \$10.00

A prayerful, Lenten reflection day with guest speaker Andy Philbin, whose conversion led him to "*Sidewalk Advocates for Life*". Similar to St. Paul, we each have a "road" for our conversion!

Andy's witness will affirm that your conversion story is ongoing, that you are not alone on your journey, and that in your daily encounters, you are called to explore new avenues to support the conversion journey of others.

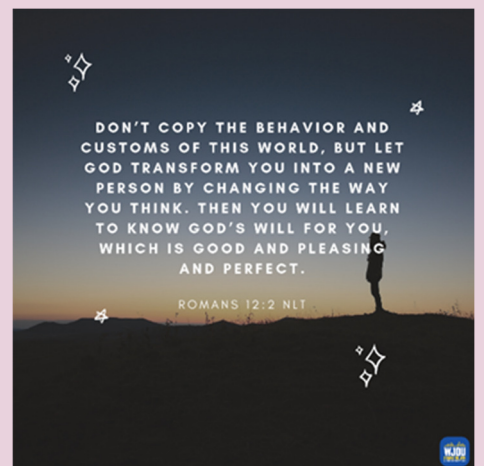

Opportunities for networking, gathering of information and resources for you and those you care for in ministry, from key, local service agencies, are incorporated into this day.

- Morning Hospitality begins at 9:30 a.m.
- Prayer and Reflection
- Witness Talk • Luncheon • Resource Fair
