Speaking on

*Living Laudato Si': Putting Your  
Faith into Action*

**November 4, 2022**

Kate Valentine is a local author, environmental advocate, and founder of NEO Leap an environmental action organization. After a career of caring for people as a Professional Clinical Counselor and as a Board-Certified Chaplain, she was inspired to convert her love of helping people into a passion for helping others to care for all of God's creation. As a Laudato Si' animator, Kate will help us to live the message of the encyclical by adopting simple ideas for reducing waste and by adopting earth friendly habits in our landscapes. Her presentation will help us to understand why it so important that we all make changes.
