

Field Day/Spirit Day 2020

Candy Pong

Saint Vincent dePaul Elementary

Type of Activity: Family Challenge

Equipment Needed:

- ★ 8-10 Plastic cups
- ★ Favorite candy (that will fit into the cups)
- ★ ping pong ball or small bouncy ball

Directions:

Place the cups filled with a small amount of candy (so the cups will not fall over when hit) together in the shape of triangle, stand back 3-6 feet. Bounce the ball one time so it will land in a cup. If the ball lands in the cup that person receives that candy. Repeat turns until all cups are gone.
