

Field Day/Spirit Day 2020

Fill the bucket

Amanda Shenberger - St. Edward, Ashland

Type of Activity: Family

Equipment Needed:

- ★ 2 buckets (one bigger and one smaller) or a source of water and a bowl
- ★ 2 sponges (big car wash sponges work best) or 2-4 washcloths
- ★ Timer

Directions:

Have the bigger bucket or water source as your start and put the second bucket or bowl about 15-20 ft. away. On start, grab a soaked sponge or washcloth and run it down to the empty bucket/bowl and wring it out then run back and the next person goes. Once the small bucket/bowl is full the timer stops. I usually use a sand bucket from the dollar store for this game.
