

Field Day/Spirit Day 2020

Water Relay

Dave Adams - St. Mark (Cleveland)

Type of Activity: Individual or Family Challenge

Equipment Needed:

- ★ One (1) Bucket for each Team or Individual.
- ★ One (1) Cup (with a few small holes in the bottom) for each Team or Individual.
- ★ Sponges can be used in place of the cups.
- ★ One (1) additional Bucket or baby pool filled with water.

Directions:

One bucket or baby pool is filled with water. Team/individuals are lined up across from the bucket/baby pool filled with water. Teams/individuals walk with cup with holes (or sponge) to bucket of water (or baby pool), fill cup or sponge with water and return to own bucket and dump as much water as they can into their bucket. Set a time for activity. Most water in bucket wins
